MASSAGE THERAPY

## JANINE CROWD - LMT

### Master Massage Therapist

With over 20 years of experience as a holistic healer, Janine is our Mother of Massage at Touch By The Angel. We look up to Janine. She is a true Healing Artist with wisdom, expertise, empathy, knowledge, leadership, and a caring hand that has touched the lives of so many. Her Art is a blend of ancient Eastern practices and Western tools and techniques. After adopting a plant-based lifestyle and essential oil self-care routine many years ago, Janine's health has transformed, compelling her to share the Gift of Longevity with her family, friends, clients, and peers. Her approach and working hand is gentle, leading with compassion, using Breathwork to facilitate the healing process of mind, body, and spirit.

Touch By The Angel massage therapy was wonderful! I had an incredibly healing experience with these lovely ladies. This was one of the best massages I have ever had, and the rose foot bath was relaxing and profoundly healing. I would highly recommend!!
